Theater in Chicago describes not only theater performed in Chicago, Illinois but also to the movement in Chicago that saw a number of small, meagerly funded companies grow to institutions of national and international significance.

### **Theater in Chicago - Wikipedia**

A black box theater (or experimental theater) consists of a simple, somewhat unadorned performance space, usually a large square room with black walls and a flat floor, which can be used flexibly to create a stage. It is a relatively recent innovation in theatre. It is not to be confused with black light theater, which is also known as black ...
