Jens Jensen was one of America's greatest landscape designers and conservationists. Using native plants and "fitting" designs, he advocated that our gardens, parks, roads, playgrounds, and cities should be harmonious with nature and its ecological processes--a belief that was to become a major theme of modern American landscape design.

Jens Jensen : maker of natural parks and gardens (Book

Jens Jensen: Writings Inspired by Nature is a collection of Jensen's most significant yet lesser-known articles. The scope of Jensen's philosophy represented in these writings will further solidify his legacy and rightful place alongside conservation leaders such as John Muir and Aldo Leopold.
