Electronics questions and answers with explanation for interview, competitive examination and entrance test. Fully solved examples with detailed answer description, explanation are given and it would be easy to understand.

### **Electronics Questions and Answers - Aptitude**

Great story, Mark. I arrived at the conclusion that Intel's switch to cobalt is premature (among other things) independently, without contacting people involved, and before Intel's IITC paper and recent publications from Applied Materials became available, which, along with your article is a great proof of my previously published analysis.
