

the poison eaters and pdf

The Poison Eaters is a collection of short stories, most of which have been published in various anthologies over the years. They are all supernatural in nature, though the subjects vary wildly, from faeries to werewolves to normal human beings with extraordinary abilities. I'm a fan of short story compilations, because you're almost always guaranteed to find at least one that suits your taste ...

The Poison Eaters: And Other Stories Pdf by dangnelvosick

The mystery of the poison-eating ritual and the looming threat of invasion drives the story, but the focus is ever on Talia, her past, and an unsure future. Overall, this is a fantastic sci-fi/fantasy novel but readers of any genre will fall deeply into Talia's story.
